Eagles Carnival.

The Eagles will have special added attractions at their Carnival on the Fourth.

Child Gored by Angered Cow.

Mary Monroe, aged ten years, daughter of Mr. T. J. Monroe, a farmer residing on the Greenwich pike, near Hutchison, this county, is in a serious condition as the result of injuries received by being gored by an angered cow. The child was playing in the yard near the home of her parents, Friday morning, when the cow, which was also in the yard, attacked her, knocking her down and inflicting serious wounds. The cries of the child attracted the attention of several men who were nearby, and who went to her assistance, employing pitchforks as a means of driving the animal away.

Dog Circus.

Leon's Dog Circus at the Carnival is especially adapted for the ladies and children.

Incorrigible Boy Whipped.

The lash intended of the Reform School or jail is the remedy prescribed in the case of boys who possess an incorrigible disposition by Police Judge E. B. January. In the case of Horace Steele, a sixteen-year-old negro boy, who was arrested on complaint to the police judge after he had run down a small boy in Henry Addition with a delivery wagon he was driving, the offender was ordered taken to the city hall, where, in his presence, he had forty lashes applied to the boy's back.

Meeting Tonight.

The Eastern Star will hold its regular meeting at 7:30 this evening at Masonic Hall.

During the summer months mothers of young children should watch for any unnatural looseness of the bowels. When given prompt attention at this time serious trouble may be avoided. Chamberlain's Colic, Cholera and Diarrhoea Remedy can always be depended upon. For sale by all dealers.

A Correction.

The news story published in our last issue in which it was stated the negro assaulted in Lexington, was Frank Jones, of Paris, was erroneous, as it later developed the negro was not Frank Jones, of this city. This correction is made to set the matter straight, as the story published in the News leaves the impression that the victim was the man of the same name in this city.

Company Reduces Telegraph Rates.

J. R. McDermott, manager of the local branch of the Western Union office, announces that, beginning with July 1, Western Union telegraph rates, affecting something like 1,500 and 2,000 points in Kentucky, Tennessee, Illinois, West Virginia and Ohio, would be reduced from forty and thirty cents for ten-word messages and three cents for each additional word, to thirty cents for ten words and two cents for each additional word.

According to Mr. McDermott the decrease in rates has been made in order to popularize the telegraph message. The reductions affect points having the forty and thirty-five cent rates. The cut also includes night messages that have the same rate.

The officials of the Western Union believe that lower rates will induce the people to take advantage of communicating with their friends and relatives within a convenient space of time.

President Bacon Resigns.

President J. W. Bacon, of the Paris Base Ball Club, yesterday afternoon tendered his resignation to the stockholders and directors of the organization, as head of the club, at a meeting held at the court house. The directors will get together at the earliest possible date to select the successor to Mr. Bacon, who lays down the reins of the affair after piloting it successfully for the past three seasons.

The meeting was called for the purpose of testing the sentiment in regard to continuing in the Blue Grass League this season, or whether it was advisable to continue through the season, in face of the debt which is overhanging the club. While the meeting was not largely attended those present were unanimously opposed to laying down at this stage, and an effort will be made in the next few days to wipe out the indebtedness.

In the past few days the committee which has been soliciting funds has raised an amount of \$800, and with renewed efforts hope to be able to have an amount sufficient to put the club in the clear.

President Bacon presided at the meeting, and Mr. Joe Varden was elected to succeed Mr. T. E. Moore, as a director, and Mr. Bacon was chosen as a member of the board, which will meet in a few days to select a president.

Plans were discussed to boost the attendance at the game, and it was decided to tender to the ladies free admission to the park during the month of July. There can be no doubt that with a team of the same material that Paris now has there will be a great deal of interest manifested in the game.

Carnival Opened Last Night.

The Littlejohn Carnival Co. opened an engagement here last night under the auspices of the local lodge of Eagles. While the weather was threatening a large crowd was out on the opening night. The company is composed of seven shows, all of which are clean and attractive, and well worth the price of admission. The Italian band delighted a large audience on the court house square yesterday afternoon, and gave concerts on the carnival grounds in the city lots last night. Thursday being the Fourth of July the Eagles will have a mammoth display of fireworks as an added attraction at night, and this, in connection with the carnival attractions, will furnish a delightful amusement feature. The carnival will continue throughout the week, with performances each evening.

If you are a housewife you cannot reasonably hope to be healthy or beautiful by washing dishes, sweeping and doing housework all day, and crawling into bed dead tired at night. You must get out into the open air and sunlight. If you do this every day and keep your stomach and bowels in good order by taking Chamberlain's Tablets when needed, you should become both healthy and beautiful. For sale by all dealers.

In the negro suburb of Claysville, Saturday night, Sid Johnson and Jim Paton, negroes became involved in a difficulty growing out of old trouble, and when the former started to leave the house in which the difficulty took place he was struck on the head by Paton, inflicting a severe wound that required two stitches to close. Paton was arrested Sunday morning by Patrolman Link.
